

College of Forestry Graduate Student Council- Request for Funds
September 5, 2006
Prepared by Cody Hale

The College of Forestry Graduate Student Council is respectfully requesting funds from the FEC in order to organize a fall quarter meeting/social event for all College of Forestry graduate students. The purpose of the meeting is to provide an opportunity for students to voice concerns to representatives and discuss any critical issues in a welcoming environment. In addition, the council will disseminate any pertinent administrative information to the students. Another goal of the fall meeting is to build community amongst the graduate students from all four departments within the College.

We are planning an early-October meeting (time to be determined) at Avery Park. The projected cost of \$200 is detailed below. The funds will be needed by October 1, 2006.

| Item | Price |
|-----------------------------------|---------------------|
| Avery Park Picnic Shelter | \$45 |
| Food | \$100 |
| Drinks | \$25 |
| Misc. (napkins, plates, utensils) | \$30 |
| <i>Total</i> | <i>\$200</i> |

Thank you for taking the time to consider this request.

Sincerely,

The COF Graduate Student Council
