

# ROSEBURG RESOURCES CO.

A subsidiary of Roseburg Forest Products

Roseburg Resources Company is currently seeking to fill **one Forestry Technician position** for the winter/spring seasons. This 6 month limited duration position is located in Veneta, Oregon. Wages will be commensurate with experience. Starting date will be in December.

## FORESTRY TECHNICIAN

- Conducts tree planting inspections, animal damage control, land exams, and herbicide application.
- Prepares maps and maintains records for assigned projects.
- Conducts forest inventory sampling employing both variable and fixed radius plots. Collects information on hand held data recorders and processes data on personal computers.
- Assists with broadcast burning. (weather permitting)
- Assists with fire suppression and prevention on company lands.
- Assists with the installation, measurement and data analysis of research plots.

The ideal candidate will be a highly motivated, field oriented team player who can perform well independently in a variety of terrain and weather conditions. Prior silvicultural experience is preferred but not required. A valid driver's license and a good driving history are required.

**Please submit a resume and 3 references by November 12, 2009** to the following address. Requested information may be mailed, faxed or emailed. Interviews will be scheduled as needed.
