ABOUT THE FOREST:

The Stanislaus National Forest (<http://www.fs.fed.us/r5/stanislaus/>) totals approximately 1,090,000 acres within its boundaries. The Forest is bordered on the south by the Merced River and the Sierra National Forest. The Mokelumne River and the Eldorado National Forest comprise the northern border (map 1). Yosemite National Park and the Toiyabe National Forest make up the eastern boundaries.

The Forest Supervisor's Office is located in Sonoma, California, county seat for Tuolumne County. The four Ranger Districts, Mi-Wok, Calaveras, Summit and Groveland, are within 45 minutes of the Supervisor's Office.

The Stanislaus National Forest contains all of the Emigrant Wilderness and portions of the Carson-Iceberg and Mokelumne Wildernesses. The pristine and dramatic scenery offers a backdrop for outstanding hiking, backpacking, and horseback riding experiences. As home to a multitude of lakes and reservoirs, as well as 811 miles of rivers and streams and 18 fish species, the Stanislaus offers a wide variety of water recreation opportunities. The Tuolumne and the Stanislaus Rivers are popular destinations, as well as Pinecrest and Cherry Lakes. Winter recreational opportunities are numerous and the area abounds with local history from the gold rush era.

SUMMIT RANGER DISTRICT

The Summit Ranger District Office is located in Pinecrest about 30 miles east of Sonora on Highway 108 at the intersection with Pinecrest Lake Road, at 5800' elevation. Pinecrest lies entirely on Forest Service lands and has approximately 380 recreation residences on special use permit with an additional 256 along the highway from Pinecrest to the Kennedy Meadows area (30 miles further east). The nearest full service community to the Summit Ranger District is the city of Sonora, 30 miles west of Pinecrest on Highway 108. It serves as the county seat for Tuolumne County. It contains a full compliment of goods and services (Wal-Mart, Orchard Supply, Blockbuster, Pac n Save, etc.), two hospitals, a junior college, an airport, public transportation, county fairgrounds, four theaters, a cinema, many restaurants and much more. A good source of community information can be found on the website maintained by the local newspaper (www.uniondemocrat.com or www.mymotherlode.com).

The Pinecrest area includes the communities of Pinecrest and Strawberry along with the subdivisions of Peter Pam, Cold Springs, Dymond's Strawberry Ridge and Leland Meadows. The year-round population of the area is approximately 450. It swells to around 7500 during the summer months with the influx of recreation users and forest visitors. On some peak holidays, over 10,000 visitors can be within the Pinecrest Basin alone. The community has three restaurants, one café, two small grocery stores, two post offices, a small branch library and a mini-mart/gas station. Although there are no churches in the Pinecrest area, during the summer months an all denominational service is held every Sunday at the Pinecrest Amphitheater.

Housing opportunities in the Pinecrest area are limited. Some rental homes are available, but due to the recreational nature of the area, are mostly rented for weekends or short duration. Best information on availability and cost can be obtained from local real estate and property management firms in the area. For more information, call Tuolumne County Realtors at (209) 532-3432.

A good source of community information can be found on the local newspaper website (www.uniondemocrat.com) or <http://www.city-data.com/city/Sonora-California.html>.

The local elementary school (K-8) is located three miles west of Pinecrest. There are two public high schools serving this area, one in Sonora and one in Tuolumne. Bus service is provided for all the schools as well as some private schools in the area.
