GS-9 – Assistant Recreation Officer Opportunity

The Shasta-Trinity National Forest, Shasta-Trinity National Recreation Area Management Unit will soon be advertising a GS-9 Recreation position.

The position is located on the National Recreation Area Management Unit in Weaverville, CA. The position's primary responsibility is the public recreation program on the Trinity Unit of the Whiskeytown-Shasta-Trinity National Recreation Area. This includes supervision of permanent and temporary employees, permit administer duties for large concessionaire permit, day to day operations of Forest Service facilities on land and on Trinity and Lewiston lakes.

The district recreation program is one of the largest in the nation, with over 70 developed recreation facilities. The Trinity Unit has 24 campgrounds and boat ramps under concession permit and 10 FS operated sites, including 4 boat-in campgrounds. This position also oversees a large dispersed recreation program centered around shoreline camping on Trinity Lake.

Skills and knowledge needed to excel in this position include good communication skills (e.g. writing correspondence and documenting meetings), ability to read and interpret policy, computer literacy in word processing and data input/extraction - Infra, ability to supervise year round and seasonal employee workforce, ability to build and maintain professional relationships both internally and with partners, and multitasking.

Please pass this opportunity to anyone on your mailing lists both internal and external that might enjoy this unique challenge. If YOU are interested please contact me either by phone or email (include bullet statements with experience and education).
