

Good Afternoon,

Please share this great opportunity for a highly qualified student.

Parks and Recreation Intern (Spring, Summer)

The Woodlands Township is seeking an intern to assist the Parks and Recreation Department. The intern will plan, organize and direct activities for adults, teens, youths and families. Assists with the development of program promotion materials and establishes working relationships with internal and external agencies to support programming. This internship is program intensive with the intern having the responsibility for creating, managing and leading various types of recreation programs and services. The intern will also have the ability to have experiences with other divisions within the Department (Park Operations, Planning, Recreation, Aquatics and Development). Candidate must be self motivated and committed to the profession. \$5,000 stipend for a semester long internship. Position requirements: Student in either a Bach. or Masters program in Parks and Recreation Mgmt or related field. FA/CPR required. One year of programming organized rec. activities, a valid DL. Able to pass pre-employment drug testing & physical.

Please contact Chris Nunes, Director of Parks and Recreation for and application and supplemental application at cmnunes@catw-tx.org or via phone at 281-210-3906. Deadline is as follows:

Spring 2010-	October 16, 2009
Summer 2010-	Feb 26, 2010
